

SPRING

Designed by EJ Designteam

(DK) Erik Jørgensen introducerer Spring - en modulopbygget sofa, der rummer mange kombinationsmuligheder. Spring har en særdeles høj komfort i kraft af en fjedrende bund og lange, bløde, behagelige hynder. Dertil kommer ekstra puder i forskellige størrelser. En sofa man sidder og ligger rigtig godt i. Til sofaen har vi sammensat en spændende 'Mix & Match' stofkollektion.

(UK) Introducing Spring - a new modular sofa with multiple combinations of sections. Spring has a high comfort due to the bouncing mattress and long soft comfortable seat cushions. In addition Spring comes with pillows in different sizes. A sofa for pleasant seating and lounging. For the sofa we have put together an exciting "Mix & Match" fabric collection.
